

ATTENTION: Architects, General Contractors, Designers, Builders, Property Managers, Glass Companies ... and others!

Are you looking to save \$\$\$ on your next design/build project?

If so, let Feng Shui Tints handle your window film needs and have your projects finished correctly, on time, and with money to spare. Remember... savings on installations means more money in your pockets!

Our locally-owned firm of experienced installers can outfit your projects with a wide variety of high-quality window films, including:

- Decorator Neutral
- Silver Reflective
- Glare Reducing
- Sputtered Nichrome
- Blackout
- Whiteout / White Matte
- Color Graphics
- Security Films
- ...and more!

We love to work on homes, retail spaces, store fronts, office buildings, restaurants, hospitals, doctors' offices, schools, religious centers ... or frankly, any place with windows!

Call today for a free in-home or on-site estimate!
